'I have come that they may have life and have it to the full'

John 10:10

The Ethos of St Peter and St Paul

"Our school is a community where Jesus Christ is our role model and his message the guiding principle behind all we do.

Every member of our community is responsible for creating an environment that is caring, fair and respectful of each individual.

We develop our potential, celebrate our talents and go forward together in faith."

Christ is the foundation of everything we do and the Gospels provide us with our influence and inspiration. We are therefore committed to promoting:

The uniqueness of the individual

We believe that every person is a unique individual, created in God's image and loved by Him. We are therefore committed to treat every person with equality of esteem and the respect and dignity due to a child of God.

The search for excellence

We are called to seek perfection in all aspects of our lives. We celebrate the enrichment of the total community, which flows from diversity of age, gender, racial and social origins, abilities, culture and religion. We are therefore committed to ensure that all are to be given every opportunity to develop their talents to the full.

The education of the whole person

We offer young people the experience of life in a community founded on Gospel values and working in harmony. Through this and a variety of educational experiences and interactions we aim to prepare young people for a life working with others in communities which maybe diverse socially, culturally and religiously. We recognise that it is also important to help pupils to understand their own ethnic identity and cultural heritage as well as helping them to understand that of others irrespective of whether the school serves or is located in an ethnically diverse community.

The education of all

We have the duty of care for all to ensure that we provide for those who are socially, academically, physically, emotionally or financially disadvantaged.

Moral principles

Our belief in the Gospel message commits us to be in the forefront of the movement for social and racial justice and harmony. We believe this is fundamental to the common good. We aim to prepare our young people to serve as witnesses to these moral and spiritual values in the wider world.

Consequently, we still strive to ensure that:

Any person recruited to the service of the school, whether as a member of staff or as a volunteer, is made fully aware of our aims and objectives and required to support them;

Children who are admitted to the school and their families are fully aware of our aims and objectives and undertake to support them;

All of our structures and policies are evaluated and kept under constant review in order to see that no individual is subject in any way to unlawful discrimination, whether intentional or unintentional, and to ensure that all are enabled to reach their full potential.

'I have come that they may have life and have it to the full'

John 10:10

This policy will apply to all admissions for the academic year 2019-2020.

The Catholic Voluntary Academy listed above is under the Trusteeship of the Diocese of Nottingham and belong to the Nottingham Diocesan family of schools. They are founded by and are part of the Catholic Church and seek at all times to be a witness to Jesus Christ. Religious education and worship are in accordance with the teachings and doctrines of the Catholic Church. This does not affect the right of parents or carers who are not of the faith of these schools to apply for and to be considered for places. We ask all parents or carers applying for a place to respect this ethos and its importance to the school community.

Our schools are principally provided to serve the Catholic communities within the Diocese of Nottingham. The Governors also welcome applications from all parents and carers, regardless of faith or background, who would like their children to be educated in a Christian environment.

The St Gilbert of Sempringham Catholic Academy Trust is the admission authority for the academy as set out above and is responsible for determining the admissions policies for the Academies in the Trust. The admissions process is coordinated by Lincolnshire Local Authority on behalf of the Trust.

All decisions relating to admission applications will be taken by the Governing Body of the Academy applied for.

The academy gives priority within the oversubscription criteria to Catholic children attending their partner primary schools (as listed above).

ARRANGEMENTS FOR ADMISSION

Parents/Carers should consult the Local Authority website www.lincolnshire.gov.uk for full details of the admissions process including information on the admissions cycle.

Application Procedure and Timetable for admission into Year 7

The Published Admission Number is 112.

Applications must be made on the Common Application Form provided by your **home** Local Authority. Applications must be made to your **home** Local Authority by the national closing date of 31st October.

In addition **all applicants wishing to apply for a place under a faith criterion (oversubscription criteria 1-6)** should complete the Supplementary Information Form. This form will be sent out by the academy. The completed form, together with any required evidence, (see notes 3-8), should be returned to the Catholic school for which a preference has been made also by the national closing date of 31st October.

If you do not provide the additional required evidence and return it by the closing date your child will be ranked in a lower admissions category and this may affect your child's chances of being offered a place.

'I have come that they may have life and have it to the full'

John 10:10

ALL APPLICATIONS – HOW PLACES ARE ALLOCATED

The Local Authority forward details of all applicants to the relevant Governing Body. Using the information on both the Common Application Form and the Supplementary Form, each Governing Body draws up a ranked list using the oversubscription criteria listed below. The Local Authority then allocates places on behalf of the relevant Governing Body up to the admissions number. When a place can be offered at more than one of the schools listed on your application, the Local Authority will offer a place at the highest preferred school where a place is available.

ADMISSION OF PUPILS OUTSIDE NORMAL AGE GROUP

Parents may seek a place for their child outside of the normal age group for example if the child is exceptionally gifted and talented or has experienced problems such as ill health. The school anticipates that children will be educated out of their normal age group in only a small number of very exceptional circumstances.

Should you wish to seek a place for your child outside of their normal age group you should still make an application for a school place for your child's normal age group **and** you should also submit a request for admission out of the normal age group at the same time, following the procedure set out by your home local authority.

A decision will then be made on which age group the child should be admitted taking into account the circumstances of each case and the best interests of the child. In addition to taking into account the views of the head teacher, including the head teacher's statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals.

Once that decision has been made the oversubscription criteria will be applied to determine if a place can be offered at the school.

Your statutory right to appeal against the refusal of a place at a school for which you have applied is unaffected. However the right to appeal does not apply if you are offered a place at the school but it is not in your preferred age group.

The school is not required to honour a decision made by another admission authority on admission out of the normal age group.

LATE APPLICATIONS

Late applications will be administered in accordance with your home Local Authority Secondary Coordinated Admissions Scheme. You are encouraged to ensure that your application is submitted on time.

IN YEAR APPLICATIONS

Details of the application process are available from the school and from the Local Authority. Once an application has been made, it will be passed to the Admissions Committee of the Governing Body for consideration. A Supplementary Form should also be completed.

If the published admission number for the year group hasn't been reached the child will be offered a place unless circumstances have changed since that year group was the normal year of admission.

'I have come that they may have life and have it to the full'

John 10:10

If the respective year group total is full, the child will be only offered a place if there are very exceptional circumstances and if the committee decides that the education of pupils in that year group will not be detrimentally affected by the admission of an extra pupil. If there is oversubscription the school will maintain a Waiting List for in year applications until the end of the academic year. Inclusion in a school's Waiting List does not mean that a place will eventually become available.

If your application into any year group (7 to 13) is refused, parents have a statutory right to appeal (see 'Appeals' below). The appeal should be lodged within 20 school days after the date of your refusal letter.

WAITING LISTS

Parents whose children have not been offered their preferred school in the normal admissions round will be added to their preferred school's Waiting List by the Local Authority who will maintain it until the end of the first term.

At the end of the autumn term the Academy will continue to maintain the Waiting List for admission to year 7 until the end of the academic year.

Parents must make a further application for a school place in respect of a later academic year. The Academy does not maintain a waiting list for years 8-11.

Waiting Lists are ranked in the same order as the oversubscription criteria listed below. Your child's position on the Waiting List may change. This means that a child's Waiting List position during the year could go up or down. Any late applications will be added to the Waiting List in accordance with the oversubscription criteria. Inclusion on a school's Waiting List does not mean that a place will eventually become available.

Final Tiebreaker

If two or more children are tied for the last place a lottery will be drawn by an independent person, not employed by the Academy or working in Children's Service Directorate at the local authority.

APPEALS

If a child is not offered a place, parents/carers have a statutory right to appeal. This should be done by writing to the school setting out your grounds for appeal no later than twenty school days after the decision letter has been received. The appeal will be arranged on behalf of the governors by the Catholic Schools Appeals Service and will be heard by an independent panel. The decision of the panel will be binding on the school.

APPLICATIONS FROM UK SERVICES PERSONNEL

Whilst the school is unable, according to the School Admission Code, to reserve places for blocks of service children or to refuse a place to such a child because the family do not currently live in the area, it may accept applications from parents moving into the area in

'I have come that they may have life and have it to the full'

John 10:10

advance and places may be allocated in advance provided that the application is accompanied by an official letter that declares the relocation date and a Unit postal address or quartering area address.

All applications including late applications in the normal round and in-year applications will be considered and allocated against the published oversubscription criteria.

FAIR ACCESS PROTOCOLS

Local Authorities are required to have Fair Access Protocols in order to make sure that unplaced children especially the most vulnerable, are offered a place at a suitable school as quickly as possible. This includes admitting children above the published admissions number to schools that are already full. St. Peter & St. Paul Catholic Voluntary Academy participates in the Lincolnshire County Council Fair Access Protocol.

APPLICATIONS FOR TWINS AND MULTIPLE BIRTH PUPILS

In cases where there is one remaining place available and the next child on the Waiting List is one of a twin or of other multiple birth groups, then both twins (or all the siblings in case of multiple births) will be admitted even if this means that the Published Admission Number will be exceeded as long as the Governing Body decides that the education of pupils in that year group will not be detrimentally affected.

FRAUDULENT INFORMATION

If the allocation of a place has been made on the basis of fraudulent or intentionally misleading information, the governors reserve the right to withdraw the place.

OVERSUBSCRIPTION CRITERIA

Where schools have more applications than places available, Governors will draw up a ranked list based on the criteria listed below and will allocate places accordingly.

Pupils with an Educational Health and Care Plan (EHCP) (see Note 1) which names the school will be admitted. This will reduce the number of places available.

- 1. Catholic children who are 'looked after' or who were 'previously looked after' (see Notes 2 and 3).*
- 2. Catholic children (see Note 3).*
- 3. Other children who are 'looked after' or who were 'previously looked after' (see Note 2)*
- 4. Catechumens, Candidates and members of Eastern Christian Churches (see Notes 4, 5 and 6)*
- 5. Children of other Christian denominations whose membership is evidenced by a minister of religion (see Note 7).*
- 6. Children of other faiths whose membership is evidenced by a religious leader (see Note 8).*
- 7. Any other children*

'I have come that they may have life and have it to the full'

John 10:10

First priority within the criteria will be given to applications from children who attend one of the partner primary schools.

Second priority within the criteria will be given to applications from children who will have siblings (see Note 9) attending the school at the proposed time of admission.

In the event of oversubscription within any criterion allocation of places will be decided on distance measurements supplied by the Local Authority. (See below)

DISTANCE MEASUREMENT

If any of the above categories are oversubscribed, after sibling priority the Governors will make a decision using the straight line distance from home to school calculated by the Lincolnshire School Admissions Team. The measurement is made electronically from the post office address point of the home to the post office address point of the Academy

In a very few cases, it may not be possible to decide between the applications of those pupils who are the final qualifiers for a place (e.g. children who live at the same address or have the same distance measurement). In this exceptional situation the governors will admit the additional child above the Planned Admission Number.

Notes (these form part of the oversubscription criteria)

1. An Education, Health and Care Plan (EHCP), is a plan made by the Local Authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.

2. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions in accordance with section 22(1) of the Children Act 1989 at the time of making an application to a school.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). This includes children who were adopted under the Adoption Act 1976 and children who were adopted under section 46 of the Adoption and Children Act 2002.

Child arrangements orders are defined in section 8 of the Children Act 1989, as amended by section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into full communion with the Catholic Church signed by a Catholic Priest and stamped with the parish stamp. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (i.e. a looked after child in the process of adoption by a Catholic family).

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest.

'I have come that they may have life and have it to the full'

John 10:10

4. 'Catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens or a letter of verification signed by the parish priest and stamped with the parish stamp.
5. 'Candidate' means a candidate for reception into the Catholic Church. This will normally be evidenced by a letter of verification signed by the parish priest and stamped with the parish stamp.
6. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.
7. 'Children of other Christian denominations' means children who are members of a Church or religious community that practises Trinitarian baptism recognised by the Catholic Church, and is normally evidenced by a Baptism Certificate, a Certificate of Dedication or a letter of verification signed by the minister of religion for that church.
8. 'Children of other faiths' means children who are members of a religious community that does not fall within the definitions 3-7 above. This is normally evidenced by a Baptism Certificate, a Certificate of Dedication or a letter of verification signed by the religious leader of the community.
9. 'Siblings' means a child who lives as a brother or sister in the same house, including natural brothers or sisters with either one or both parents in common, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, or the child of a parent's partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling. It also includes natural brothers or sisters where the child for whom the school place is sought is not living in the same family unit as the same address as that sibling.
10. A 'parent' means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.
11. Home Address: The governors use the same definition as used by the Local Authority within which the school is located.

SIXTH FORM APPLICATIONS

The Published Admissions Number is 90 with up to 25 further places available to external students.

Acceptance is subject to:

1. The applicant meeting the Academy's entry requirements for the courses selected
2. Spaces being available on the selected courses

For students wishing to study English Literature, Mathematics or Science the following entry requirements will normally apply:

English Literature	GCSE Grades 5 – 8, including English Grade 5 or above
Mathematics	GCSE Grade 6 in Mathematics
Science	GCSE Grade 6 in Science Core PLUS GCSE Grade 6 in either Additional Science or in Biology, Chemistry, Physics (depending on which Science course is being applied for)

'I have come that they may have life and have it to the full'

John 10:10

A full list of the courses currently available for study together with the entry requirement for each course is shown in the Sixth Form prospectus which can be [downloaded from the Academy website www.sspp.sch.uk](http://www.sspp.sch.uk). A broad range of academic and vocational courses are offered and our Sixth Form prospectus is updated in December each year with the courses that are available.

However, transfer between Sixth Forms at any stage after the beginning of Year 12 is likely to seriously disrupt the continuity of care and the academic achievement of a student and we advise strongly against any applications for Sixth Form places once the two year A Level courses have commenced.

APPLICATION PROCEDURE AND TIMELINE

The Academy is responsible for the process of applications. Applications should be made directly to the Academy before January, interviews for all applicants are held in March with conditional offers being issued soon after.

The offer of a place does not guarantee that a student will be able to gain entry onto a preferred combination of A Level courses. This is dependent on the Year 12 option blocks and students meeting the individual entry requirements for each subject.

When the number of applications from other schools exceeds the number of places available, offers of places for students who have met the entry requirements outlined in the Sixth Form prospectus, will be made following the oversubscription criteria which is clearly shown within this policy.
