Scope of this policy

This policy applies to lettings of any premises under the control of St Thérèse of Lisieux Catholic Multi Academy Trust (The Trust) and its academies.

Objective of this policy

The objectives of this policy are:

- to set out the circumstances in which The Trust will let out its premises;
- to provide a framework for charging for lettings; and
- to enable local community groups to benefit from The Trust's facilities in line with its charitable objects

Policies and procedures implemented by the Trust are there to control the organisation's exposure to risks in line with the Risk Policy and those identified within the risk register. All staff should be made aware of this and all policies of the Trust and the procedures in place including any updates issued from time to time. Should staff have any queries relating to this or any other policy or procedure they should write to the Trust's Governance Lead who will ensure adequate training and guidance is provided.

Ownership of this policy

This policy is owned by The Trust's Finance and Estates Committee. Each academy will adopt this policy on a transitional basis, that is for all new lettings and from the point where existing lettings may change. The transition period will end on 1st September 2020.

Monitoring of this policy

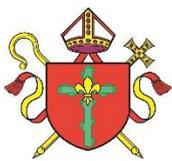

This policy will be monitored by the CMAT Estates, Facilities and Health & Safety Advisor in consultation with the Finance Director. Operational and procedural arrangements will be drawn up by the Estates Manager.

Relevant legislation

This policy is a requirement of the Academies Financial Handbook.

Policy details

1 Introduction

1.1 The Trust has many facilities which could be made available to its local Catholic parishes, other local groups and the community. The Articles of Association state that The Trust will promote their facilities in the interests of social welfare and improving the condition of life of the local inhabitants.

1.2 The Trust, through this policy, aims to maximise the use of its premises whilst maintaining as a priority high quality education for all its pupils.

2 Definition

2.1 A letting may be defined as “any use of the academy premises (buildings and grounds) by either individuals or community group (such as a local music group or football team), or a commercial organization (such as the local branch of ‘Weight Watchers’)”.

2.2 The Trust occupies land and buildings on licence from the Diocese. Use of the premises for purposes which promote academy/parish links will be prioritised.

2.3 Use of the premises for activities such as staff meetings, parents’ meetings, Governing Body meetings and extra-curricular activities of pupils supervised by academy staff, fall within the corporate life of the academy. Costs arising from these uses are therefore a legitimate charge against the academy’s budget.

2.4 This use of the academy premises by way of a letting is a temporary arrangement for the use of the accommodation. It is expected that the letting will usually be by completion of an academy letting form, or occasionally a more formal licence. The Estates Manager will determine the most appropriate form of Agreement.

2.5 A letting must not interfere with the primary activity of the academy, which is to provide a high standard of education for all its pupils.

3 Types of Agreement

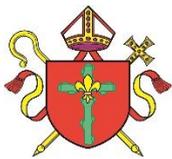

3.1 Academy Letting Agreement: This is expected to cover the hire of rooms for occasional use of space that is also shared with other users, eg weekly use of academy halls, theatres, football pitches etc. The academy retains control of access to the buildings, ie the third party is dependent on the academy as keyholder to the academy site.

3.2 The hire agreement is personal to the Hirer only and nothing in it is intended to have the effect of giving exclusive possession of any part of the academy to it or of creating any tenancy between the academy and the Hirer.

3.3 It is envisaged that a Letting Agreement will cover the majority of academy lettings.

3.2 Formal ‘Property’ Agreement or Licence: This would be required in a number of scenarios – the Estates Manager will advise on and arrange for an appropriate agreement to be put in place:

- If the Hirer is to have independent access to the rooms/building it wishes to use;
- The occupation is expected to be of a long term nature. The academy could grant successive Academy Letting Agreements but if they are expected to last for a year or more it will be necessary to have a formal Property Agreement in place. There may be benefits to the Hirer or the academy to have a longer term agreement to provide security and perhaps help gain external funding;
- The Hirer is to occupy a standalone building;
- The Hirer is providing a business use not linked to the academy’s educational role;
- The Hirer is expected to take on more responsibilities for its use, eg perhaps the level of repair, health and safety issues etc.

3 Use of The Trust Premises by Third Parties

3.1 The Trust will ensure that all prospective hirers of Trust facilities are vetted to ensure that their aims and objectives do not undermine those of the Trust, particularly in respect of Canon Law.

3.2 Any organisation whose activities or ethos is likely to be in conflict with those of The Trust will not be permitted to hire or use Trust premises. The Estates Manager will determine the suitability of prospective hirers.

3.3 Facilities will not be hired out to anyone under the age of 18.

3.4 A risk assessment will be carried out for all new hirers.

4 Letting Principles

4.1 The Trust aims to recover the full costs of letting out its facilities. Charging rates will be set to achieve this aim. Where there are multiple lettings taking place at the same time, the costs for services and staffing will normally be shared between the various Hirers. Each academy will publish a schedule of charges.

4.2 The Trust will not subsidise private organisations using its General Annual Grant (GAG) through allowing free or subsidised use of its facilities.

4.3 The Trust may charge a premium when operating in a commercial context.

4.4 The following costs will be recovered:

- services (heating, lighting & catering);
- staffing (additional security, caretaking and cleaning) - including “on-costs”;
- administration;
- “wear and tear”;
- use of academy equipment (if applicable);
- Fee in lieu of use of premises, ie a rental value.

5 Management

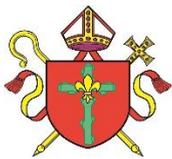

5.1 The Estates Manager is responsible for drawing up arrangements and for advising academies. The Estates Manager may appoint a Managing Agent where the Trust has significant and regular lettings and where it is cost effective to do so. In these cases the Managing Agent will report directly to the CMAT Estates, Facilities and Health & Safety Advisor.

5.2 The Headteacher at each academy is responsible for ensuring that this policy is implemented. Where appropriate, the Headteacher may delegate all or part of this responsibility to other members of staff, whilst still retaining overall responsibility for compliance with this policy.

5.3 The Headteacher is responsible for assessing whether a request for a letting is appropriate. When in doubt the Headteacher will consult the Estates Manager whose decision is final.

6 Administrative Arrangements

6.1 It is envisaged that during the transitional period up to 1 September 2020 academies will continue to use the forms and administrative processes currently in use for lettings. However, if any of those procedures are now non-compliant or conflict with this policy then the academy must revert to this policy. Where there are no current procedures in place then procedures should be implemented immediately in line with this policy.

6.2 A scale of charges should be drawn up for each category of letting for use from 1st September 2019. These should be made available to potential hirers.

6.3 Those seeking to hire part of the academy premises should approach the Headteacher (or other designated member of staff), who will identify their requirements and clarify the facilities available. An Application Form should be completed at this stage to provide basic details of the applicant.

6.4 If the proposal is a continuation of a short term ad hoc booking then the Headteacher may approve the booking subject to using the new scale of charges. The letting should be agreed on a term by term basis.

6.5 If the proposal is for a new letting/organisation or a proposal which fall under the requirement for a formal property agreement then the proposal must be referred to the Estates Manager.

6.6 Once it has been decided to proceed with a letting a letter of confirmation will be sent to the successful applicant, 'the Hirer', setting out full details of the letting and enclosing a copy of the terms and conditions and the relevant agreement.

6.7 The letting should not take place until the signed agreement has been returned to the academy and payment made. The person applying to hire the premises on behalf of the Hirer will be invoiced for the cost of the letting in advance. Payment in advance of the booking will be required in all instances.

6.8 No public announcement of any activity or function taking place should be made by the Hirer until the booking has been formally approved as per paragraph above.

6.9 Terms and Conditions are contained in Appendix I
